

Sleeping Giants

We are.

Never woken,
Ever sleep.
The giants, old,
Under the mountains deep.

Never woken,
Ever sleep.
The age-old giants,
In their keep.

Never woken,
Ever sleep.
What you sow,
One day you'll reap.

Never woken,
Ever sleep.
The giants rise,
Rise from the deep.

Never woken,
Ever sleep.
What you stole,
You will not keep.

Never woken,
Ever sleep.
First we wake,
Then we shall reap.

We are woken,
No more sleep.
The giants live,
And you shall weep.

We are.

Sleeping giants.
